Re: Desert Mound Mine *NON COAL*
ACT/021/003
Iron County, Utah

Dear Tom:

As we had discussed previously, we hired Mr. Steve Ellis of Provo to reseed the disturbed area at Mountain Lion Pit area.

Mr. Ellis completed this project on Thursday, October 11, 1984, just two days prior to the snow storm that hit the area. So with the drilling completed and good moisture conditions, reclamation should be well on its way in that area.

Any further questions, please call.

Thanks,

Roy Benson
